

STELLENBOSCH

ART

Stellenbosch is vibrant and colourful, filled with art around almost every corner.

Marvel at more than 40 art, music and culture experiences in the town itself which include art galleries, sculpture walks, musical affairs and architecture discoveries.

Strolling through Stellenbosch, visitors will discover a vibrant 'natural art experience'. Sculptures are strategically placed within the historic town centre, on sidewalks and squares between Dorp and Victoria, Drostdy and Market Streets - also known as the 'Arts Quarter'. The numerous art galleries offer a unique insight into the history of South African art.

Stellenbosch is also home to some of the best- preserved Cape Dutch buildings in the Western Cape, many of which are open to the public.
