As 2024 arrives, so does a new Maties Rugby Supporters Club package offer!

Maties Rugby has assembled one of the most competitive teams to take on the Varsity Cup in many years, and so we have created an offer off-the-field that will not only please you but one that will also ensure that our teams have our strong support.

By joining the Maties Rugby Supporters Club, you prop up the sustainability of Maties Rugby through your contribution - and you secure your place in the drive to keep Maties at the top of the Varsity Cup ladder.

There are various packages available to suit our post-Matie family, as well as a package suited to current students.

We look forward to welcoming you all back to the Danie Craven Stadium, at Coetzenberg, where the vibe cannot be beaten.

Good luck to Drikus, Kabamba and team - let’s keep it in Stellies! And remember, our players also turn out for league and other matches where they will always value your support.

Kind Regards
Chris Norton
